Subject: Lehman Brothers Holding, Inc Case Number 08-1355 (JMP)

I was informed by CALTON & ASSOCIATES, INC. that there is to be a LEHMAN BROTHERS HOLDING INC. Bankruptcy Chapter 11 hearing May 27, 2011.

I am not a Lawyer, therefore I do not understand all that is involved with (the "Debtors' Plan") or First Amended Joint Chapter 11 Plan of Lehman Brothers Holding Inc. etc. I just know that I definitely feel that My Wife, Doris, and I have been robbed of our life savings by what I believe to be a scheme by the Chief Executives of Lehman Brothers, to pay their Chief Executives, and interest on existing accounts. According to Tuesday, October 7, 2008, Fort Worth Star Telegram, in a bankruptcy hearing before Congress, CEO Richard Fuld, defended the decision just four days before the hearing to pay three departing executives more than \$20 million in "special payments."

The executives were aware of their financial problems when they issued SR NOTES that we purchased. Someone else was lying and covering up for them, because they were rated: AA A1 A+, and it was this report that led us to invest our savings. I just know they had to make a lot of promises they did not intend to keep, to sucker over 333 of us to invest a minimum of \$60,000 each just to pay three departing executives.

Thank you for considering the need of many of us who feel that we were definitely robbed.

I am enclosing a copy of our contract with Lehman Brothers, a letter to their CEO Richard Fuld, and a statement of what our account should be worth as of February 1, 2011.

Sincerely

George W. McDowell

MR. RICHARD FULD
CHIEF EXECUTIVE
LEHMAN BROTHERS
745 7TH AVE.
NEW YORK, NY 10019

Dear Sir;

October 7, 2008 the Fort Worth Star Telegram reported that you had appeared before a Congressional Panel. Also that Lehman Brothers had filed for bankruptcy.

I don't understand all that is involved in bankruptcy, I just know that in good faith, my wife and I invested \$ 30,000.00 January 29, 2008 in Lehman Brothers that was rated A1/A+. March 20, 2008 we invested another \$ 30,000.00 in Lehman Brothers that was still rated A1/A+. We did this on the advice of our Account Executive who shared with us the yeild rate and that Lehman Brothers was a reliable firm, that our investments at maturity would be 100%.

That is the contract we made and that is what we are expecting. \$ 60,000.00 may not sound like much to you, but it represented our savings after working 38 years for the Texas Department of Transportation and working 55 years as a bioccupational Baptist Gospel Minister. The interest from our investments was intended to maintain our house and property. The fact is We can not afford to loose \$ 60,000.00.

According to our last statement, November 28, 2008 for Calton & Associates, our January 29, 2008, \$ 30,000.00 investment had a current value of \$ 3,150.00, and our March 29, 2008, \$ 30,000.00 investment had a current value of \$ 3,150.00.

Let me inform you ~~not~~, that I will stick by my contract for 100% value on maturity or recall and expect the interest to be paid according to the contract. If, according to the news article, you can defend the millions your chief executives made as the company's trouble mounted, I can certainly defend my expectations that our contract will be honored.

Sincerely:

George W. McDowell
